Petitioners Latrill Wilkerson, Darrell Robinson, Steven Wolverton, National Association of Criminal Defense Lawyers, California Attorneys for Criminal Justice, and the ACLU of Northern California hereby apply *ex parte* for a Temporary Restraining Order ("TRO") restraining and enjoining Respondent Gregory J. Ahern, his agents, assigns, partners, employees, and any individual or entity acting in concert with Respondent, from violating the constitutional rights of Petitioner Wilkerson, Petitioner Darrell Robinson, Petitioner Steven Wolverton, and the class of Medically Vulnerable people incarcerated at Santa Rita Jail that they seek to represent, and requiring Respondent to:

- a. Identify within twenty-four (24) hours of the Court's order all Medically Vulnerable people (as defined in the Petition) then detained at Santa Rita Jail along with a reasonably detailed explanation as to the method used to identify the Medically Vulnerable people;
- b. Submit to the Court within three (3) days of the Court's order a list of the identified Medically Vulnerable people whom Respondent does not intend to release from custody or, where there are no less restrictive alternatives, to home confinement along with detailed reasons for Respondent's decision;
- Release from custody or, where there are no less restrictive alternatives, to
  home confinement all identified Medically Vulnerable people for whom
  Respondent has not provided cause why release should not be granted; and
- d. Provide immediate COVID-19 testing to all Medically Vulnerable people incarcerated at the Santa Rita Jail.

This application for preliminary injunctive relief as set forth in the proposed TRO is made on the grounds that the conduct sought to be enjoined, if allowed to continue to occur, will cause immediate and irreparable injury to the health and safety of Petitioners and the class they seek to represent.

1	Petitioners also request the Court to issue an Order to Show Cause ("OSC") requiring	
2	Respondent to appear and show cause why a Preliminary Injunction should not issue restraining	
3	and enjoining Respondent in the same manner for the remainder of this litigation.	
4	This application for a TRO and OSC is made pursuant to Code of Civil Procedure §§ 525	
5	et seq. and California Rules of Court, rule 3.1150 and California Rules of Court, rule 3.1200 et	
6	seq.; and is based upon the accompanying Memorandum of Points and Authorities; the Verified	
7	Petition and accompanying declarations and exhibits filed herein; records and files in this action;	
8	and upon such further evidence and argument as may be presented prior to or at the time of the	
9	hearing on the motion.	
10	There has not been a previous application for such relief.
